

PRODUCT LINE CARD

RESIDENTIAL/ WHOLESALE

TX SERIES INDIRECT WATER HEATER

- Available in 40, 50, 80, 110 gallons
- 444 Stainless Steel (1.4521 Niobium-Titanium Stabilized Steel)
- Stainless Steel Jacket- (TX110- Polypropylene)
- Offers extreme protection against corrosion
- High density CFC free and fire retardant polyurethane foam insulation
- Reduced Energy Costs
- Adjustable legs
- The top of the unit can be turned 360°, ensuring easy installation
- Limited Life Time Warranty

CENTRAL TANKLESS COILS

- Copper Tru-Fin Tubing
- Replacement & OEM Coils
- Domestic Hot Water & Heating
- Obsolete & Hard to Replace Coils
- Next Day Service

TECHNIUM INDIRECT WATER HEATER

- Available in a range of sizes (20-119 gallons) for Residential and Commercial Applications
- Works with any hydronic heat source for domestic hot water
- Minimal heat loss
- Polyurethane foam for outstanding insulation and reduced power consumption - CFC free.
- All models supplied magnesium anti-corrosion anodes.

BRAZE PLATE HEAT EXCHANGERS

- Available in Single Wall and Double Wall Construction
- Cover a wide range of cooling and heating capacities
- Resist scaling and fouling; effective self- cleaning
- Certifications: AHRI (water), ASME available

E-ZEE FLOW POOL HEATER

- Compact design
- Designed to perform at high fluid velocities with low pressure drops
- Made of high quality, specially treated AISI 316L stainless steel to insure superior corrosion resistance and longer product life
- Induced self-cleaning
- Also available in Nicrom-24 (Marine Series) for highly corrosive water conditions – ex. Saltwater

HVAC COILS

- Water & Steam Coils
- Evaporator & Condenser Coils
- Flanged Duct Coils
- Cased and Uncased Hydronic
- Specialty & Custom Coils
- 24 Hour Rush Options Available
